**Camp News!**

January's open house was huge. Since then, many families who couldn't be there have been enrolling on line & calling the office to register.

We have delayed the scheduled tuition increase until February 17th, the date of our next open house. Stop by, contact us or go to our web site to enroll.

-----

We are pleased to announce that this summer, we are adding a S.T.E.M. & Science/Nature program. Details soon.

-----

We are also revamping our CIT program, this summer, which will be run by "Head Counselor" Joe. Campers over 13 (8<sup>th</sup> grade & higher), are eligible.

This is an optional program and will involve working a job at camp, as well as enjoying trips & activities. More info soon
