Camp News

8 weeks until the fun begins!

REMINDER

Many have not yet created/signed into their online camp accounts to finish the enrollment process. Forms need to be completed, such as t-shirt size and bus service forms. Campers will not receive shirts or bus without doing so! Additionally, we've received only a few medical forms, so far. NO camper will be allowed in camp without their signed, completed medical forms on file, especially this year. Immunization records will be carefully reviewed. *(Campers do not need TB tests, unless Dr. requested).

ALSO, the deadline for choosing weeks is NOW! Especially for campers using the bus. Without choosing, SOON, we cannot guarantee a bus seat

Our new golf green is under construction & a golf coach hired!
